

# SANDY CHENG

Software Engineer

## SUMMARY

Creative, detail-oriented, software engineer with a deep interest in machine learning. Proven track record of creating and implementing successful front and back end web applications. Looking to bring my skills to a tech company with global reach.

## WORK EXPERIENCE

### Software Engineer at 100devs, Los Angeles, CA

January 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications

#### Apps:

**Fatty Birb** – As Fatty the Birb tries to fly south for the winter, he encounters some obstacles. Being so rotund, he has a hard time flying up, but will fall quickly due to gravity and his large mass as soon as he stops flapping his small wings. He is making a fool of physics!

**Chicken Dinner Winner Picker** – Users inputs starting and ending ticket number for a raffle. No more paper cuts from picking paper tickets!

### Full Stack Web Developer at Cheek Codes

April 2022 — Present

Created full stack web applications and static websites for different clients across small businesses and for personal uses.

### EMT/CPR Instructor at Jersey City Medical Center – Robert Wood Johnson Barnabas Health

July 2015 — December 2019

- JCMC Meritorious Crew Award recipient 2017
- JCMC Exceptional Duty Award recipient 2018
- Assess illness, or injury, and arrange a plan of care
- Proficient with *Lucas* and *AutoPulse* compression devices

### Lab Technician at William Paterson University, Neurophysiology of Pain

September 2015 — December 2019

- Obtain adult and fetal mice brain samples, staining, and creating slides
- Ketamine, and mice handling training
